Has DeVilbiss changed? This question is one that has met every student and teacher in our school at least once this year. Everyone is interested in the new extended sessions at DeVilbiss, and everyone naturally wants to know what life at our school is like under these strange conditions.

Are classes as stimulating? Can traditional activities continue? Will athletic records necessarily suffer? Does spirit become lax?

As a medium of information as well as a pictorial reference of the school year, the POT O' GOLD will attempt to show what life has been like at DeVilbiss in this year of firsts. We hope that we have captured within these pages what we have found to be true—that DeVilbiss changes but remains unchanged.

You will see Tommy change throughout the following pages from a shy backward novice to an outgoing friendly personality. Studying, crowded halls, and bustling activity—all become part of his school life as he takes advantage of the educational and extra-curricular opportunities offered to DeVilbiss students.

Once again this familiar view of DeVilbiss appears as a remembrance for the students who now daily tread its walks. DeVilbiss High School has a history which reaches back to the fall of 1931. The campus with its many Norwegian maples, including the plant, the stadium, the playing and the practice fields covers an area of twenty-six acres.

Though not noticeable to the passer-by, the administrators, teachers, and students have had to make many adjustments so that this year could be as productive and memorable

as previous ones. In spite of numerous changes there has been little effect on the ever present school spirit. The student body and the faculty working together under unusual and many times difficult circumstances reveal the true strength which is obviously visible in the Georgian architecture of our school.

Thus, it can be said, that the picture above represents more than what meets the eye. This beautiful building contains an inner strong quality found in the seriousness of teaching and learning.

Noon on the parking lot ends the seniors' day as they leave for various afternoon activities.

Students congregate after morning classes.

Freshmen enjoy new vending machines added to the cafeteria this year.

NEW SCENES ON CAMPUS

The small island at the entrance of the new parking lot is destined to become DeVilbiss's own mall.

FORTY YEARS IN EDUCATION

Students, teachers, administrators in the Toledo Public Schools—all these experiences have been happy ones in the lives of Rosemary and Merritt Nauts.

FORTY YEARS . . .

- The Nautses have welcomed the beginning of each new school year with anticipation.
- They have always striven to inspire in the students appreciation for their heritage as good citizens in our democracy, courage to sustain their convictions, faith in the good things of life, intellectual honesty, and imagination to penetrate the unknown.

IN TEACHING IN TOLEDO

• As students and as teachers both have enjoyed the privileges and inspiration to be found in the classes at the University of Toledo, the University of Michigan, the University of Chicago, Ohio State University, Harvard, and several other schools.

Four Assistant Principals . . .

- each a specialist in his own field
- each contributing to the functioning of our high school program
- each concerned with an important phase in the operation of a school with twenty-six hundred pupils
- each working cooperatively to maintain the standards we've come to expect in DeVilbiss
- each a pleasant, a sincere, a distinctive personality

Administrators At Work . . .

- teachers and students—students and teachers; classes and schedules; scholarship and the Advanced Placement Program and the Art Museum Correlation Program; tests and texts and adjustments.

- special counseling—special disciplining—special attendance problems—special scholarships; new enrollments and transfers; consultants to the counselors; night school and summer school guidance; approval of working permits; recruiting of volunteers for community projects.

- the Student Council—its Commissions, its Student-Faculty Board, its Area work; the Magazine Drive—the Polio Drive—all drives; auditorium assemblies; clubs, clubs, and more clubs; student activity in the cafeteria, the halls, and the parking lots.

CLASSES

In the following pages we find pictures of 2700 students. Herein lies the problem that confronts our school—the reason for the extended sessions at DeVilbiss. Physical limitations prevented everyone from attending classes at the same time. Thus we find upperclassmen coming to school in the morning while the underclassmen must come at noon. To unify the classes and prevent the freshmen and sophomores from feeling like a separate part of the school presented a major task. Unity again suffered because the faculty, increased in number, was also assigned to come at staggered times of the day. It was only through the efforts of the faculty and the general spirit of the classes that we remain a coordinated school. That certain extra quality that has always made DeVilbiss special has again determined that it still can be a leader and progress even when confronted by changes and deviations.

STUDENT

A school without a newspaper, a school without a musical, a school without student government, a student without a yearbook—such a school would indeed be a lifeless, spiritless place. Yet this is the situation that DeVilbiss faced at the beginning of the year. The extended sessions enlarged the school day to nine hours in length. Former times that were used for rehearsals and staff work and meetings now are used for classes and study. School's closing at 5:00 P. M. left no time for customary after-school organization meetings. The two publications of the school were forced to work overtime and at home to collect news and pictures. Student Council necessarily met during class time. Our musical production, the Deviltries, was a big success despite these unfavorable odds. And so DeVilbiss solved the problems and retained the activities which all the students have come to know. These activities, a necessary part of school life even from a teacher's viewpoint to keep interest and to add incentive to studies, help to steady our changing DeVilbiss.

Under the direction of Janet Alspaugh as general chairman, Roger Smith as student director, and Miss Elizabeth Papps as faculty adviser, Devilbiss students presented the 1960 production of Deviltries, "Devil May Care."

The tireless work of cast and committee members made this year's show a great hit. The support of the entire school body also contributed to its success. Talents, tears, toils, and triumphs—all these are a part of Deviltries.

"LET THERE BE SONG!"

DeVilbiss is justly proud of its choral groups. This year the A Cappella Choir was again active, participating in numerous concerts and vocal programs. The choir members sang at a Lenten service at Trinity Episcopal Church, took part in the Spring Band and Choir Concert, and provided music for the Senior Class Baccalaureate service. In May DeVilbiss voices were

heard in a broadcast from radio station WTDS.

The Freshman Girls' Chorus sang at the Bell Telephone Company Northwestern Ohio Banquet in February and gave a concert with the orchestra on April 6. These girls showed fine promise as an outstanding choir.

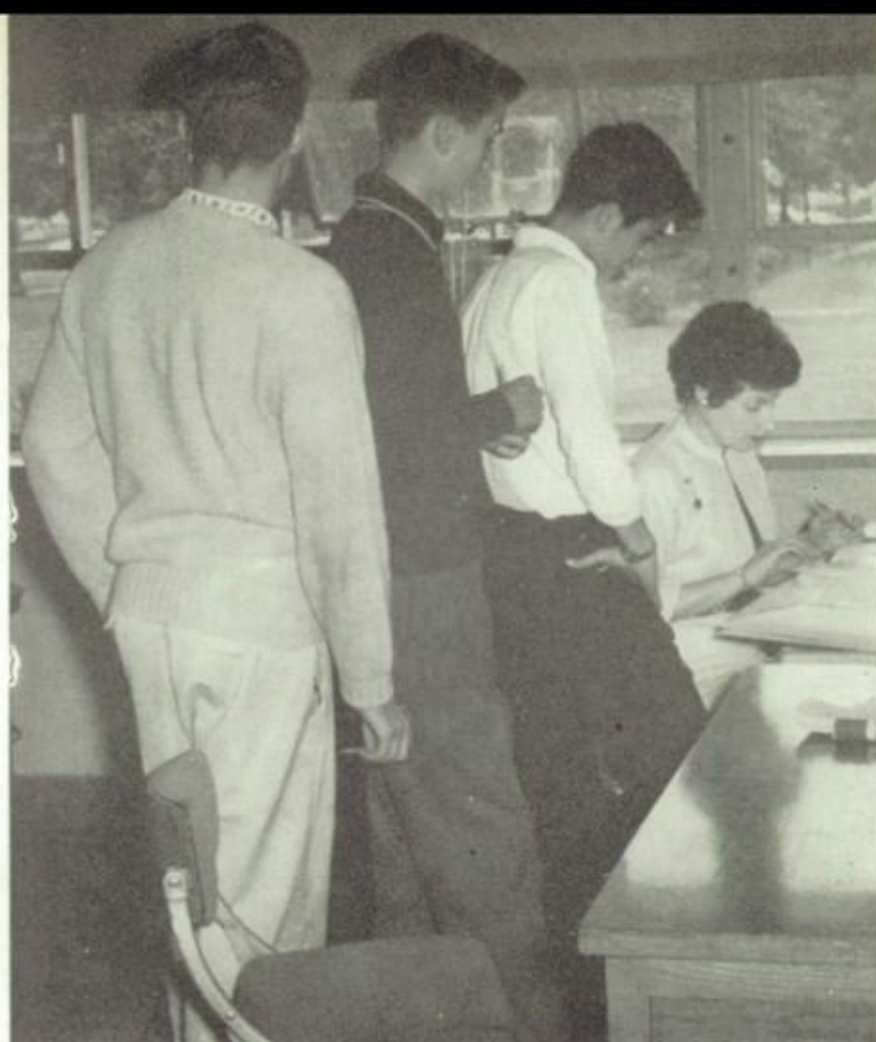

We pay tribute to Mr. J. Phillip Zaugg for his fine work with DeVilbiss choral groups.

To promote better cultural and social relations between Spain and Ohio is the purpose of the Committee on Relations with Toledo, Spain. This committee, established in 1933, is saluted by the Pot O' Gold for its excellent work in foreign affairs.

In 1933 the Toledo, Spain, committee invited a delegation from Ohio to visit their country. In 1934 four Ohioans journeyed to Spain in answer to the invitation. The Spanish Civil War and World War II interrupted progress in the program. Then, in 1958, new committees were established and began to operate.

Under the auspices of the Toledo Camera Club, a collection of pictures was sent to Spain. Portfolios of elementary and secondary school art were sent to the Spanish group with the assistance of Mrs. Mary Ryan, supervisor of art in Toledo Public Schools. Through Robert W. Lawrence and the Toledo Chamber of Commerce, Toledo-made products will soon be sent to our Spanish neighbors.

Future plans of the committees include an exhibition of Spanish art here in Ohio and a possible student-teacher exchange.

ORGANI

ZATIONS

The organizations of DeVilbiss underwent many changes this year. The extended school hours made it impossible for many clubs to continue meeting at their regular times. As a solution to this problem, most clubs now meet in the evening.

This year also saw the enforcement of the new club rules approved last spring by the administration and Stu-

dent Council. Each club was limited to two meetings a month and four social events a semester.

Club Presidents Council is another addition to the club system. Composed of the presidents of all the clubs and headed by the Organizations Commissioner, it replaces the Inter-Club Council of previous years.

The newly formed Club Presidents Council promotes unity among the clubs.

TRI-D

STUDENT COUNCIL HELPS ORGANIZATIONS

The success of our club system is in a large measure due to the supervision of three of the commissions.

The ORGANIZATIONS COMMISSION is devoted entirely to guiding clubs to become stronger associations. Each year in September every club must apply for a temporary charter. In December the commission grants permanent charters to those clubs measuring up to DeVilbiss standards. The commission handles all club applica-

tions during club week and keeps a permanent record of the membership and activities of each club. Clubs with problems may receive constructive counsel from this group. In May, on the basis of attendance, activities, and achievements, the commission presents an award to the best club in each of the categories. The commission uses the monthly reports turned in by all the clubs to determine the most deserving clubs.

SHARPS AND FLATS

COUNCIL SERVICE AND SOCIAL COMMISSIONS

COUNCIL SERVICE COMMISSION supervises the diversified service projects the clubs perform for the benefit of both the school and the community. Through the Welfare Bureau of the Red Cross Agency, the commissioner arranges the dates and places for such community projects as talent shows, tray favors, and Thanksgiving baskets. The commission as a whole evaluates these projects and in May presents awards for those deemed outstanding.

SOCIAL COMMISSION performs the task of coordinating the various club social activities in order to avoid conflicts with other clubs or school functions. The commission has also compiled a band reference book for the benefit of clubs holding dances.

Under the guidance of these commissions, DeVilbiss clubs have presented this year well-balanced and profitable programs.

DRAMATICS

SOCIAL-SERVICE CLUBS

The category of SOCIAL-SERVICE CLUB is another recently effected change at DeVilbiss. The former Social and Service Clubs, always similar in activities, were regrouped under this designation to fulfill their aim more completely.

Turnabouts, beatnik parties, teas, and private dances filled the social calendars of these clubs. Members of **Pay-a-el-sa**, **Sisco**, and **Tawasi** treated their dates to an evening at the theater followed by a party. **Talisman** sponsored a sock hop after the Waite foot-

ball game. **Tonja** and **Tawasi** cooperated to give a joint beatnik party. **I-da-ka** members escorted their fathers to a basketball game and later held a tea honoring their mothers. **Vo-ee-thians** held both a private dance and a bowling-pizza party. Both **Sisco** and **Pay-a-el-sa** gave private Christmas dances. **Omena Aura** sponsored an open dance in February, and **I-da-ka** held its annual private in April. **Tri-D** members organized the inter-club song fest held early in April.

EQUESTRIENNES

SOCIAL-SERVICE CLUBS

Service projects ranged from making banners and tags in support of our athletic teams to participating in community projects. The traditional bewilderment of freshmen was lessened this year by both Tawasi and I-da-ka. I-da-ka distributed maps of the school, while Tawasi members prepared a list of the clubs and their requirements. Members of **Key Club** and **Sisco** collected for UNICEF on Halloween; several other clubs participated in the November school levy campaign. **Junior Socialites** served for the pancake

supper which was sponsored by the Sertoma Club and held at the Children's Hospital. Key Club members assisted in the Kiwanis peanut sale for needy children, while **Hi-Y** members donated their time to selling Christmas trees for the Y. M. C. A. Both Tonja and Sisco made bandages for the Cancer Society; Sisco members also did secretarial work for the society. Twenty-one clubs donated Thanksgiving baskets to needy families, and **Talis-men** delivered several of these.

THALIANS

LITERARY CLUBS

The varied and informative programs of the DeVilbiss literary clubs have instilled a greater appreciation of literature and the related fields in many of the members.

Forum members have concentrated their study on social problems of our community. Speakers from CSI, the Toledo Police Department, and the Domestic Relations Court presented the aspects of their work with juvenile delinquency, narcotics, and divorce. In addition, the members traveled to Ann Arbor for the annual production of Handel's "Messiah".

Pericleans devoted their meetings to the study of the cultures of foreign

nations. A speaker or a program of slides was presented at one of the bi-monthly meetings; at the following meeting a discussion of the literature and art of the country was conducted. Attendance at local events, such as the Erroll Garner concert and the Ballet Russe de Monte Carlo, rounded out their schedule.

Thalians this year studied literature in general. At each meeting members reported on one type, such as the novel, drama, poetry, and the short story. The club visited the Glass Exhibit and the Choral Festival held at the Toledo Museum of Art.

PHILALETHEANS LITERARY CLUBS

As their project **Delphians** undertook the thorough examination of Communism. Their program included viewing a propaganda film and attending the Meeting House Series on "Inside Red China". Members of the club have also corresponded with Fidel Castro concerning Communism in Cuba.

Zetaletheans centered their interest upon American literature. Members prepared monthly displays for the library paralleling English literature with that of America for certain periods of history. The club as a whole attended Carl Sandburg's program at the Paramount.

Philaletheans conducted a sur-

vey on religions of the world as their continuing program. Members delivered reports or showed slides on the various beliefs. Other activities included the presentation of a play by several of the members for the club and attendance at the Ballet Russe de Monte Carlo.

Debutantes members have also gained knowledge of different religions through club activities. The club visited the Moslem mosque and attended a Catholic mass, later holding discussions pertaining to these experiences. At each meeting one member gave a dramatic demonstration, read a poem, or presented a book review.

ATHLETICS

DeVilbiss has long been a proud name in the athletic circles of our city. This year was to be one of discouraging readjustment. Only part of our teams would be available. When would freshmen have a chance? How could indoor sports be practiced while classes were in session? Through the willingness and concentration of the administration, schedules were changed and rechanged; and at last DeVilbiss had what promised to be a complete athletic program amid the confused order of extended sessions.

The athletic program proved to be more than complete; it helped to bind the whole school together when it most needed it. At the beginning of the year when harmony was most lacking, DeVilbiss was winning. Students from all classes and every time of day together filled the stadium and helped DeVilbiss find itself. Faculty members also turned out in strength to support the DeVilbiss teams. The one fact we remember is that we were supporting not a morning or an afternoon team, but a DeVilbiss team—as a solid body.

CITY CHAMPIONS OF 1959!

Again this year our football team brought another victory to the halls of DeVilbiss—the sixth city championship in seven years. The partnership of coach and team worked well this year to bring the city championship and a ranking as the fifth best team in the state. The only blemish to a brilliant season was the 20-20 tie with Cleveland Shaw. The climax of the season was accomplished by the exciting game with Libbey on Thanksgiving Day. The city champs almost lost their first game of the season, but the team sprang back in the final minutes to maintain a no-loss record.

Tigers ready for action . . .

KITTENS ROAR LIKE TIGERS!

Last fall the freshmen football team roared across Toledo grid-irons like their big brothers, the city champions. The Frosh got off to a fast start, winning their first several games. They developed a good line with a number of promising backs who made themselves felt in all quarters. Late in the season, they were weakened by injuries and ineligibilities and as a result dropped a few contests.

Any DeVilbiss fan looking over the Frosh roster would be pleased with what he saw. With a team like this, the DeVilbiss future should be bright indeed.

FRONT ROW: Mike Scott, Ron Billian, Don Schneiser, Forest Ramsey, David Folger, Ron Jackson, Don Lever.

THE THANKSGIVING DAY GAME . . .

one of the most exciting of the season.

Everything seemed to fall in place as the Tigers climbed toward the coveted city championship—as the 34-0 victory over Scott testifies—until the Thanksgiving Day game when against Libbey, we, flirting with disaster, came from behind in the last quarter to win 14-12. There were but two minutes thirty-four seconds

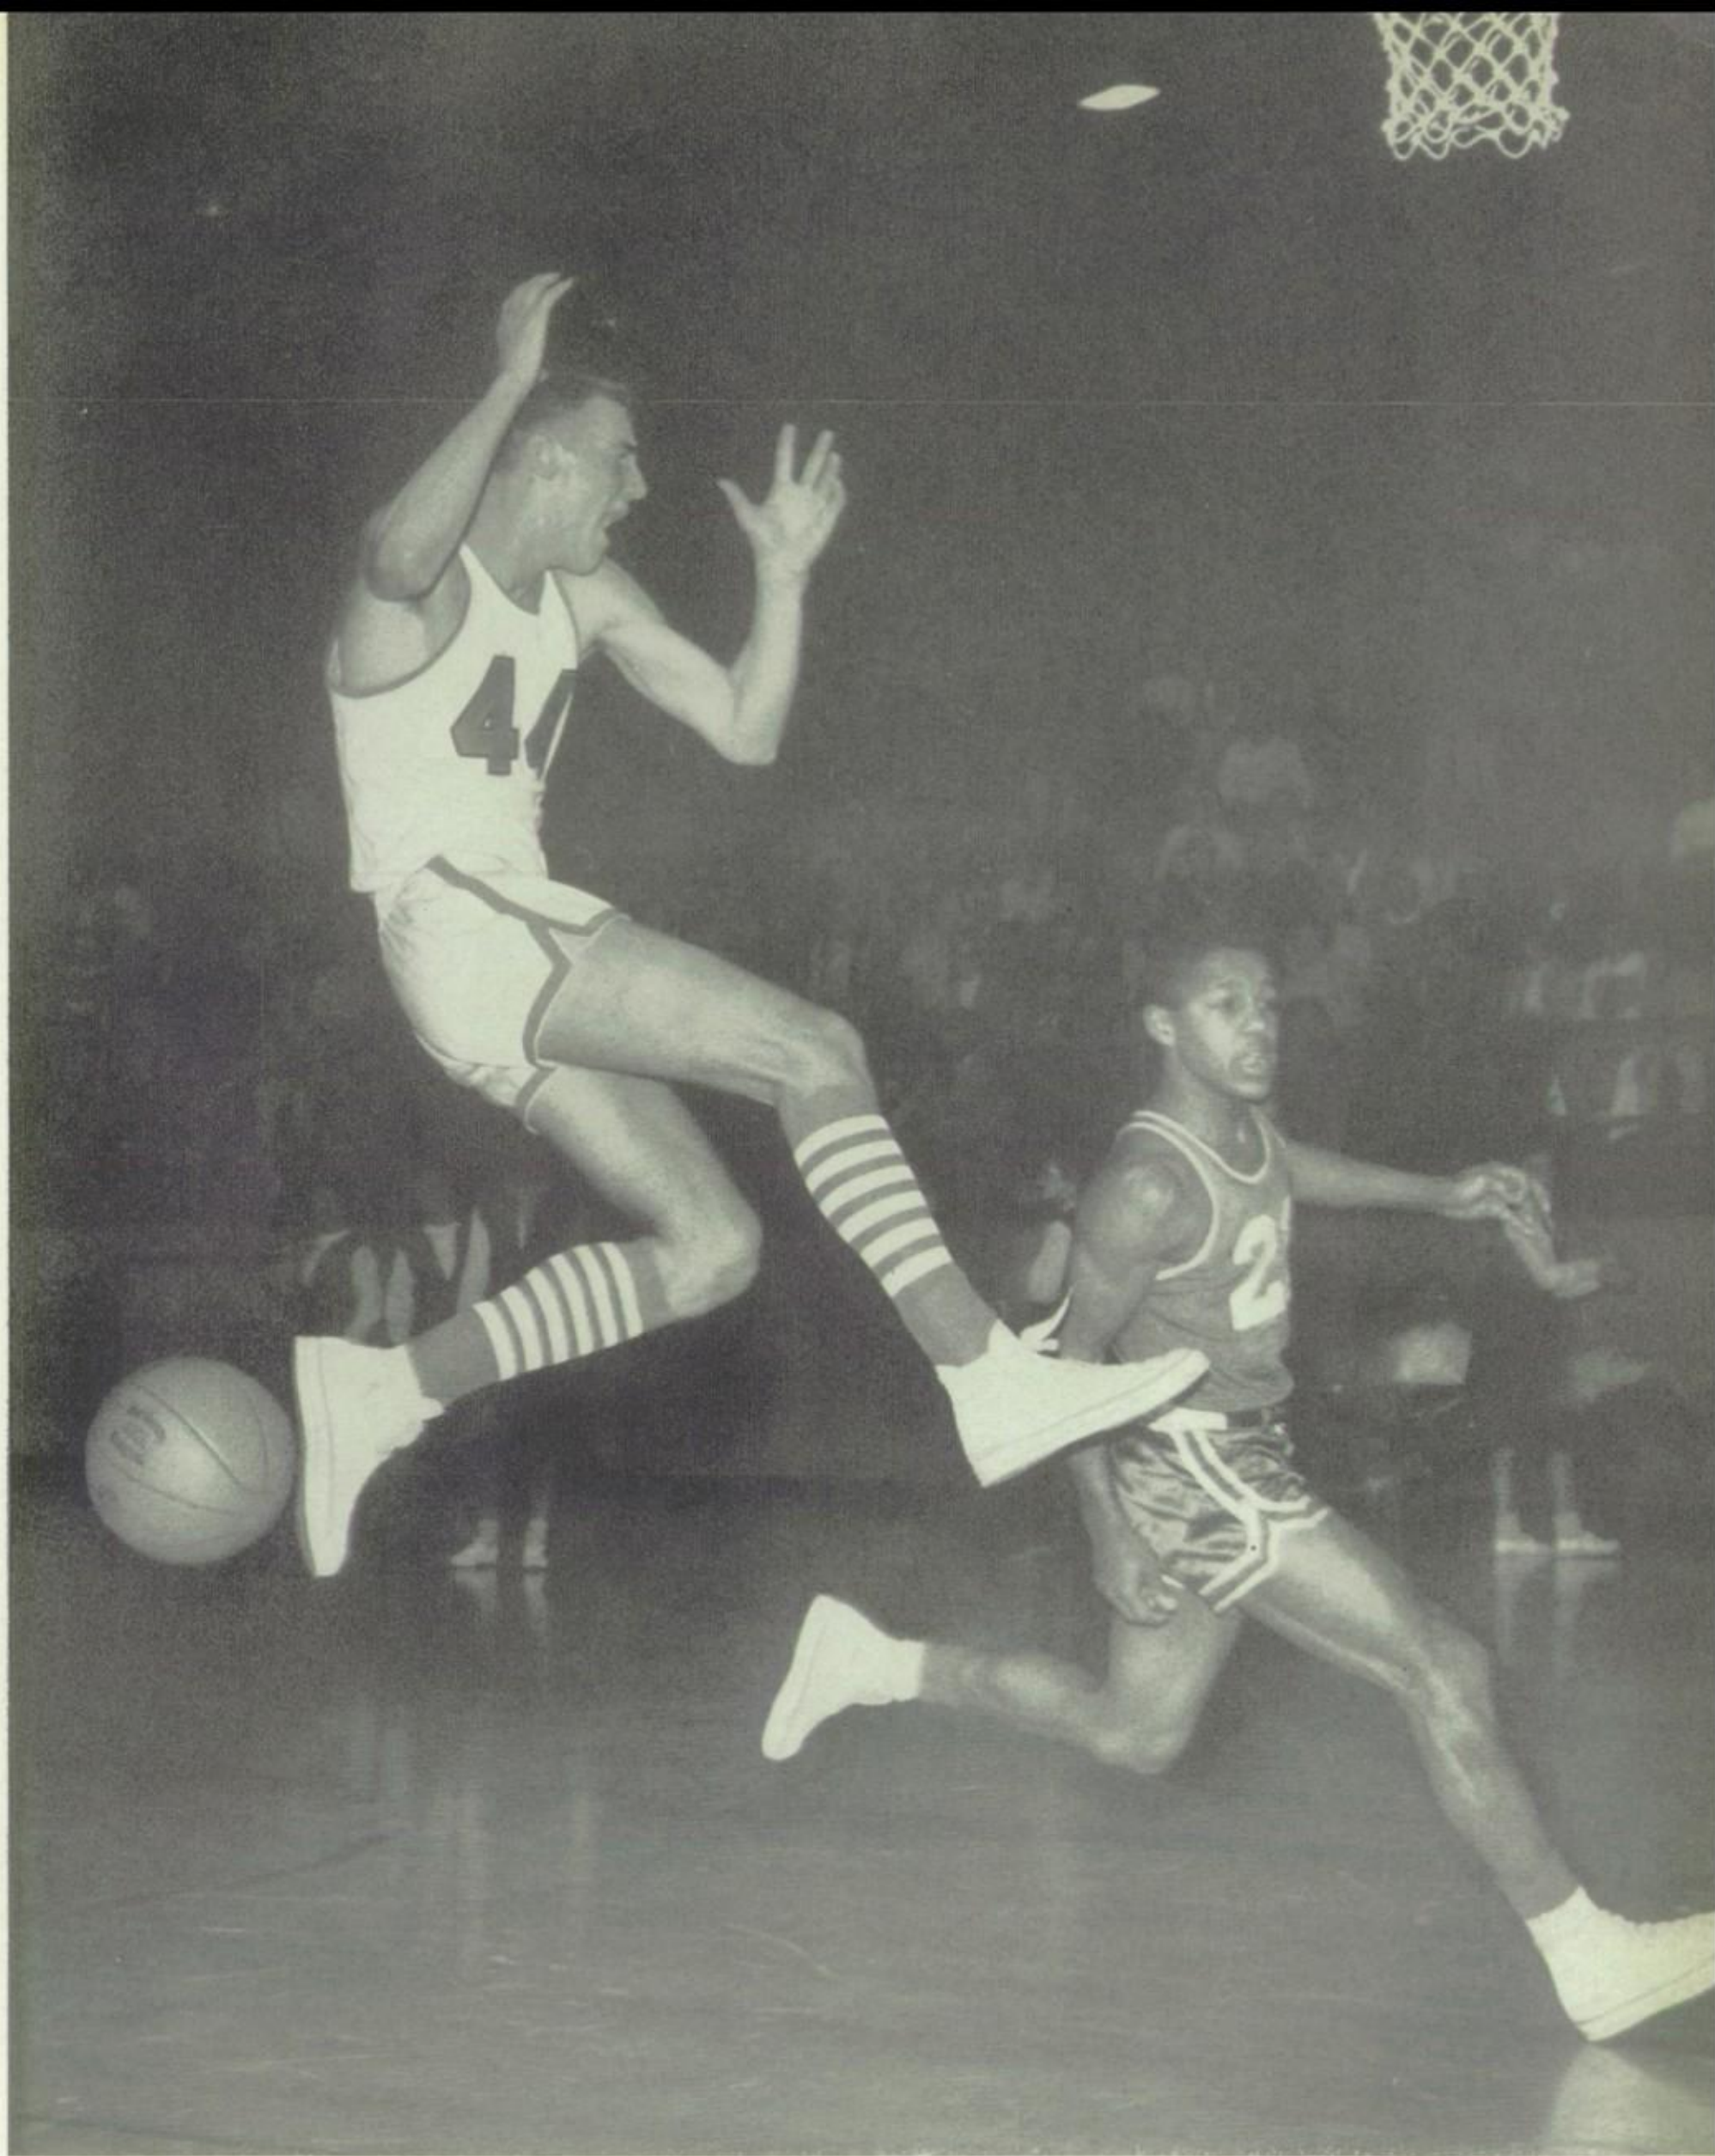

remaining when Steve Wexler cracked off his left tackle from one yard out for the winning six points.

The touchdown, incidentally, gave Wexler the City League scoring crown. He finished with fifty-eight points, two more points than Don Kornowa of Woodward.

TIGERS WIN CAGE VICTORY!

Though this headline did not occur as often as we would have liked, the Tiger spirit was evident this year. Though the record only shows a 3-9 record in the city league and a 7-11 in all games this season, many of the losing games were close and all were well played. Too, our losing streak carried over into the tournament play when DeVilbiss lost to Waite 77-70 in their first tournament game. We all wish coach Tom Inman and the future team of next year the best of luck in future play.

JUNIOR CAGERS

This year the DeVilbiss Lightweight Team posted an eight win—ten loss record, finishing fifth in the city league competition.

Last year the DeVilbiss golf squad won the city championship, and though four graduated from that championship team, the three back this year and the new players added should prove to be too much for city league competition. The coach this year is Mr. Clark Folgate.

The tennis team of 1959 pictured here equaled the golf team's record by also finishing first in the city.

BACK ROW (L. to R.): Dean Schlichting, Steve Adams, Dwight Thomas, Dick Zimmerman. FRONT ROW: Bob Ciralsky, Stuart Garber, Joel Zanville, Tom Lindhuber.

TOP ROW (L. to R.): Bill Siegel, Don Anderson, Jim Smith, Paul Mielke, Jim Van Deilen, Dick Kimball, Tom Jackson. THIRD ROW: Kent Johnson, Pete Mathes, Bob Beck, John Odom, Ron Thompson, Steve Wexler, Don Krontz, Jack Decker, Jim Slaybaugh, Fred Tank. FRONT ROW: Dave Lentz, Chuck Friedman, Dave Ryerson, Dick Chappius, John Patterson, Dick Krupp, Jay Kean, Rodger Paul.

RUNNERS, JUMPERS, SPRINTERS . . .

The track team this year looks very good especially with so many seniors back from last year; namely, John Odom, Jim Van Deilan, and Chuck Friedman. The coach this year is new, however, both to the track team and to DeVilbiss. Mr. Bill Booth's team should have a profitable season this year.

John Odom sails over the high bar in this invitational track meet.

Chuck Freidman vies against Willy Bates of Scott in the Annual Night Relays.

Jim Van Dielen leaps out ahead in the afternoon session of the DeVilbiss Night Relays.

MIDDLE ROW: Dave Cox, Val Daiga, Bob Damrauer, Bob Clark, Russ Maneval, Owen Day, Bob Elwell, Bill Michael. FRONT ROW: Eden Feldstein—Student Manager, Ken Johnston, Bob Kreusser, George Andre, John Abolt, Jim Keiser, Gordon Mefford.

DEVILBISS SLUGGERS

The baseball team had a good year last season finishing in second place in city league competition with an eight win—four loss record. The usual starting nine was Dan Simrell, catcher; Owen Day, first base; Bob Clark, second base; Dave Cox, third base; Terry Harmon, short stop; Russ Maneval, left field; Bill Terrill, center field; Terry Weber, right field; and John Abolt, Bob Damrauer, or John McNutt as pitcher.

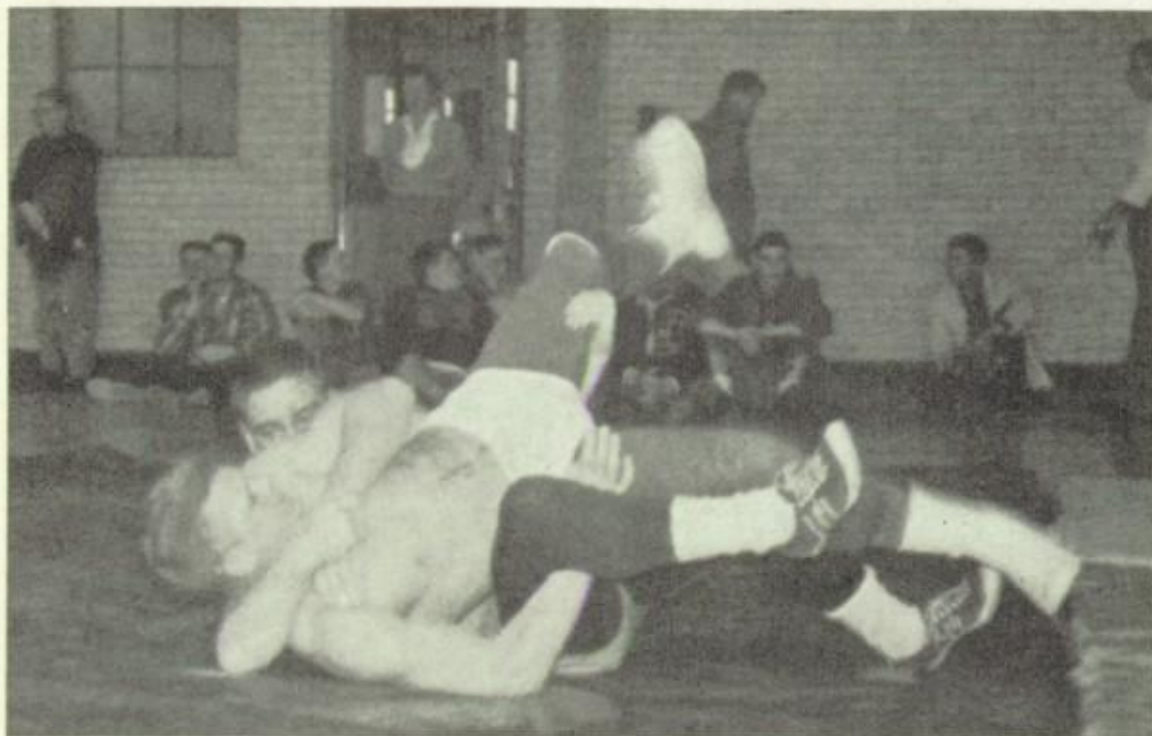

SPARES AND STRIKES

The DeVilbiss bowlers do not belong to one team but are divided among three teams in two city leagues of ten teams each. The DeVilbiss Nationals and the DeVilbiss Tigers, both in the National League, finished fifth and third respectively. The DeVilbiss Americans of the American League finished fourth. The secretary of both leagues is DeVilbiss senior, George Andre.

FIRST ROW (L. to R.): Mr. Goode—coach, Gary Schroeder, Ron Phillips, Rick Warren, Doug Wahl, Allan Schall, Ron Poturalski. MIDDLE ROW: Ken Kesmeyer, Mike Millis, Fred Goldwyn, Dick Ravin, Dean Schlichting, Jeff Sampson. FRONT ROW: Mike Carnahan, George Andre, Chuck Miller.

Grunts and groans are heard as Tiger grapples with his opponent.

Though this is only the second year for wrestling at De-Vilbiss, our team managed to tie Macomber as city champions with a 5-1 city league record and a 9-1 total mark. Our wrestling squad brought the close to a very favorable season by finishing in seventh place in the regional tournament held February 19 and 20.

ARE YOU SATISFIED?

Grownups know that personal grooming is
important if you want to "get ahead".
Teenagers sometimes forget to look at
themselves objectively.

So that boys and girls could see themselves
as others see them, a full-length mirror was
installed in the main corridor of a high school
in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—
even started wearing coats and ties. Girls
stopped to tuck in blouses or rearrange their
hair. Renewed pride came to
this school—all because of a mirror!

A mirror is a "must" at school . . . at
home . . . anywhere. Always check
your appearance before going out.
It's a good habit to form and
others will notice.
